

Where we operate

Our sites around Great Britain

Our drinks are sold across Great Britain through more than 100,000 outlets. In order to deliver them efficiently, our 22 manufacturing, distribution and office sites are located throughout the country. They are split into five regions: Scotland, North, Central, Wales and South West and South East.

22

manufacturing, distribution and office sites located throughout the country.

100,000

outlets in Great Britain.

1997

Great Britain has been a Coca-Cola Enterprises territory since 1997 and is the largest by volume.
